

Greater Collin Kennel Club Mission Statement

Greater Collin Kennel Club is an AKC All Breed Member Club that covers Collin County in north central Texas. GCKC is devoted to promoting, advancing and celebrating the Purebred Dogs.

Through actively encouraging and participating in AKC conformation, obedience, Rally and other performance events, the club strives to promote responsible heritage breeding to preserve AKC recognized breeds and preserve the unique relationship between dogs and their owners. Members of GCKC work together to improve the physical and mental health as well as overall wellbeing of all dogs, but pure-bred dogs in particular. This is accomplished through thoughtful, responsible breeding, socialization, and training of our dogs.

In addition to show and performance events, the club sponsors dog owner responsibility and education through annual kennel club dog shows, and through the club's attendance at local community events.

Our meetings are open to anyone who has an interest in our canine companions.
